Equipment Rental/Usage Agreement

Before any equipment can be checked-out the user must be trained in its proper use and inspect the equipment with a representative of Teton County. All equipment checked-out by the user becomes the sole responsibility of the user.

In the event of damage, loss, or theft of the equipment the user will be ultimately responsible for any and all repair or replacement costs (this policy shall be followed regardless of any accidents, misuse, abuse, negligence, user fault, or any other circumstances that led to the damage, loss, or theft of the equipment), this does not include any wearable part such as gaskets or hoses. The user further agrees to report any loss, theft, or damage as soon as possible.

I have inspected the equipment and agree/concur with any exceptions and/or annotations made regarding the status and condition of the equipment I am about to check-out. In addition, I concur with this use agreement.

I understand that the equipment must be cleaned to remove mud, dirt, and foreign material from the unit and accessories, before returning it. If the equipment is not clean I will be charged a \$30.00 washing fee. I also understand that I will forfeit my \$75 deposit if the equipment is not returned in proper condition by the due date.

Teton County assumes no liability for personal property or damage due to mis-application or off-target application performed by the user of this equipment.
